Decker Electric

Progress

Wesley Pediatric Unit

The 5th Floor PICU & PEDs renovation at Wesley Medical Center is complete. Decker Electric has installed over 30 miles of telecom cabling! Big Congrats to team members, Clint Townsend, Clint Allmon, Chase Ishman, Tyler Atwood and Jeremiah Fisher!

Safety

Recognizing Signs of Heat Illness

Heat illnesses during summer months can be extremely dangerous, especially for outdoor workers. Use the picture above as a guide to help you decide whether you are experiencing heat exhaustion or heat stroke and call 911 immediately if you think you are experiencing a heat stroke.

According to OSHA, take the following precautions to help prevent any type of heat illness:

1. Wear a hat and loose, light-weight clothing.
2. Drink water every 15 minutes, even if you are not thirsty.
3. Rest in the shade to cool down.

4. Learn the signs of heat illness and what to do in an emergency.
5. Keep an eye on fellow workers.

Progress

McPherson County

Crew member, Mike Duran, and Foreman, Scott Nelson, work on oil storage upgrades for McPherson County.

Since 2010, Decker Electric has been the Official Power Sponsor of the Wichita River Festival. This year, the River Festival saw an 11% increase in attendance from 2015 with 455,000 total attendees. Our own Dave Turner took time to give away food court gift cards to people who found him and took a #selfiewithdave. Decker Electric is proud to be part of such a successful, Wichita event.
