DECKER ELECTRIC

Founded in 1977, Decker Electric has become one of the largest electrical contractors in the Midwest. By focusing on the Industrial, Commercial, Residential, Communications, Security and Engineering markets, we are a full service electrical solution provider. Our business is driven by building trusting relationships and providing exceptional customer service. Contact us today to see how we can serve your electrical needs.

Leadership Changes

The new year brings new changes to the leadership team at Decker Electric. In years to come, ownership of the company will transition from Steve Decker to Blaine Clark, Jarret Bergkamp, Jason Seiwert and Ben Wilson. We are so excited for the future of Decker Electric, Inc. and grateful for the hard work and dedication of all of our employees.

Staff

Notable Work Anniversaries

If you see Michael Duran or Sterling Kemp around the office or job site, congratulate them on five years of service to Decker!

Progress

Mid-Missouri Ethanol Plant

Working on the turbine building slab at the Mid-Missouri ethanol plant in Malta Bend, MO. The project is set to be completed in mid-June.
