Progress

Foley Equipment Parts and Service Building

---

Decker Electric is working alongside Conco Construction on this new, ground-up Foley Parts and Services Facility. The project is located just down the road from Decker Electric's shop. Chris Martin is leading the crew.

---

## Update

# Chris Motter Fundraiser

Thank you to everyone who has supported our fundraiser! So far, we have raised \$1,720 toward our \$5000 goal; remember that Decker is matching every dollar up to \$5000. We have extended the deadline to May 19th and have provided three easy ways for you to contribute:

1. Our Go Fund Me account - just click [here](#) to donate!
2. Give/Send Kristi Christy a check or cash in the office; OR
3. Send Kristi an [email](#) requesting a donation be taken out of your payroll.

We are still planning on presenting a check to the family at the upcoming Decker Family Day. More details to come.

---

## Progress
