Progress

Tyson Spray Chill

Pictures from our Tyson spray chill job in Holcomb, KS. Thanks to our foreman, Ron Jackson, and the great craftsmanship by Javier Ramos and Sergio Moncada, Decker has been able to coordinate installation with Tyson without affecting production. This job entailed pulling cable from a new PLC cabinet up through the roof and onto a cable tray that we recently installed. From the tray, it travels across the roof of the plant, and terminates at various places above the cooling valves that cool the meat inside the plant. Thanks to Ron, Javier, and Sergio for their hard work and attention to detail.

Notable Work Anniversary

We want to recognize three big work anniversaries from July. **Dave Turner** and **Gary Lindow** have been at Decker for **10 years**, and **Kevin Hare** is celebrating **15 years**.

Christian Ray and **Brandon Seiwert** will celebrate **5 years** at Decker in September!

Thank you all for your hard work and dedication!

Service Department Shout-Out

We just wanted to take a minute to highlight two recent reviews of our amazing service department.

"Decker Electric is a great company and I really enjoy working with them. Reliable, trustworthy and locally owned. Highly recommend!"

"I can't say enough good about the people at Decker Electric. Both Victoria and Dave were professional, friendly and helpful. Dave was able to fix our problem, and he told us what to do to avoid problems in the future. We will definitely be repeat customers."

Thank you for all of your hard work!

Staff

Decker Family Day and Check Presentation

Thank you to everyone who donated to the Jon Rouse fund. We were able to present the Rouse family with a check for over \$10,000. Thank you also to everyone who came out to the Wichita Sports Forum to attend our Family Day and check presentation.

Helping Hands Opportunities

We have a few volunteer opportunities coming up in the next month. Please e-mail [Kristi Christy](#) if you are able to help!

Saturday, September 8th: ICTSOS Race for Freedom 5K. We are hosting two water stations, and we need **AT LEAST 15-20 volunteers** at each station, **40 total** to hand out water. All Decker employees and their families are welcome and anyone who volunteers will receive a Helping Hands t-shirt.

September: We are performing electrical upgrades at Interfaith Ministries homeless shelter and need a few electricians willing to donate their time.

Please let us know if you are able to help with any of these opportunities!

Kendall Kemp Racecar

Congratulations to Kendall Kemp who won the 62nd annual race at the Kansas State Fairgrounds in Hutchinson. This was a two-day race and Kendall beat a lot of competition for the second year in a row. Decker Electric is proud to become a car sponsor!
