# Decker Electric

Progress  
Butler Rural Electric Coop

Over the course of three weeks, Decker Electric assisted to complete the new 1 Megawatt solar farm located just South of Andover in Butler county. Radiance Solar out of Atlanta, Georgia requested our help to assist another electrical contractor that was pushing a completion deadline. We jumped in with six electricians and some wire pulling equipment to complete the job within the original time frame. Mike Perdue and his team were able to pull and land all of the feeders, hook up the transformer, land all of the inverter wiring, complete the controls, and do all of the testing needed to get this site on line. Thanks to Mike Perdue, Miles Cleary, John Perkins, Bill Thayer, Eric Phelps, Mason Smith, Scott Nelson, and Bryan Wallace for your hard work and problem solving that gave this project the final push it needed.

## Children's Home Toy Drive

During the month of December, Decker employees held a toy drive for the Wichita, Children's Home. Using a list of needed items from the Children's Home, over thirty people contributed toys to help children in the Wichita area have a better Christmas. Thank you so much to everyone who helped!

# Decker Holiday Party

Save the Date! In order to show our appreciation for all of your hard work and dedication, we would like to invite you to our 2018 Holiday Party on January 26th from 7PM to 9PM at Distillery 244 in Old Town. Each employee should have received an Evite in order to RSVP. **If you have not RSVP'd, please do so as soon as possible.**

Also, if you would like to reserve a hotel room at the Courtyard by Marriott, please email Tyler Helmet, [thelget@decker-electric.com](mailto:thelget@decker-electric.com).
