

June 2018 Issue

# Decker Electric

Community  
Blood Drive

Our Decker Blood Drive was a success! We had 26 people register and we collected 23 units! We surpassed our goal of 18 units and could not have done it without all of you! The units we collected can save up to 69 lives. Thank you again for your support.

## Community Osage Park Clean-Up

We held our first Helping Hands community service event on Wednesday, June 13th. Sixteen Decker Electric employees met at Osage Park in south Wichita and canvassed the area picking up trash. We picked up everything from car parts to food wrappers and collected around 40 pounds of trash. Thanks to all of those that came!

---

## Progress

# Conway Springs Stadium

Project Manager, Daniel Leland, with electricians, Elton Fritch, Nick England and Tate Nowlin, installed a new football scoreboard for USD 356 Conway Springs. They removed and replaced the existing football scoreboard with a new 10'x32' Daktronics scoreboard.

## Community

# Wichita Open

Decker co-sponsored with Morris Lang and Sunflower Bank at this year's Wichita Open. Here, Josh Nesbit, Blaine Clark, Jarret Bergcamp, Brian Fair, and Clint Townsend enjoy the 17th hole!
