In Memory of Jon Rouse

Our Decker Electric family was heartbroken to learn of the sudden loss of friend and coworker, Jon Rouse. Jon passed away unexpectedly May 28th. Our hearts go out to Jon's wife, Monalisa, and his two young sons, Dylan and Sean. We are raising money to help his family with expenses as they transition to life without Jon. [Here](#) is the link to the GoFundMe page we've created. Decker will match all funds raised up to \$5,000. Thank you so much to everyone who has already supported this cause.

Staff

New Summer Interns

We are excited to have three college interns with us for the summer. Conner Wilkes from Pittsburgh State and Nathan Mills and Grant Wells from Kansas State. We have a busy summer planned for them and are hoping they will learn a lot during their time here. Please help us make them feel welcome!

Staff

Director of Operations for Construction

Decker Electric is excited to announce new hire, Josh Nesbit, as Director of Operations for construction. Josh is a graduate of the Kansas State Construction Science Department and brings 14 years of construction experience working with PCI, Westar and Burns and McDonnell. Josh will be working closely with the project management team to find opportunities to better serve our customers by providing complete Construction Management services.

Staff

Blood Drive

The Decker Electric Helping Hands Team is holding a blood drive through the American Red Cross on June 22nd from 10AM to 3PM. The Bloodmobile will be parked in our shop parking lot so your time commitment will be minimal. This drive is open to both Decker employees and their families. Click [here](#) to sign up for a time slot. Please contact [Kendall Kemp](#) if you have any questions. Thank you for helping us give back to the community!

Community

Leukemia & Lymphoma Society

Decker Electric was proud to sit with runner-up "Man of the Year" candidate Jason Ladner with IMA Financial Group and Governor Jeff Colyer at the Leukemia and Lymphoma Society "Man & Woman of the Year" competition. This is a competition among local leaders in the community to raise money for blood cancer research in honor of two local children who are blood cancer survivors. Thank you Jason for inviting Decker Electric to this event.

Community

Wichita Riverfest

Decker Electric is proud to be the Official Power Sponsor of the Wichita Riverfest again this year. The Riverfest runs from June 1st through June 9th. Click [here](#) for a list of daily events and activities. We are also giving away a daily food court voucher to the first person to find Dave Turner each day. Get the word out...Dave will probably be wandering around the food court area and is ready to give away these vouchers!
