Decker Electric

Progress

Camping World and Gander Outdoor

Decker Electric is nearing the completion of the Camping World and Gander Outdoor projects. TCO is scheduled for the first week of June. Thank you Clint Allmon, Brandon Seiwert and Brent Combs for making this fast-paced project a success.

Progress

Aqua Park

Decker Electric was excited to team up with Dondlinger Construction on the fast-paced Aqua Park completion. The project was completed on schedule despite two weeks of rain. Thank you to Chris Martin for making this project such a success.

Progress

Ronald McDonald House

Key personnel, Ryan Atchison, Norman King, Dustin Morgan, Todd Potter, and Thomas Mackay are on the home stretch of the Ronald McDonald House and Health Strategies projects. They have been working on equipment connections, access control (card readers and video surveillance), exterior building signage and lighting, individual suite lighting controls, and decorative chandelier fixtures. Thank you Key Construction and Ronald McDonald House Charities for allowing Decker Electric to be apart of this great Team!

Progress

Health South-Wichita Falls, TX

Seaton Construction and Decker Electric completed a successful generator install at the Health South in Wichita Falls, TX.

Wired to Help
The Lord's Diner

Thank you to all who came out to volunteer at the Lord's Diner. We had a fun evening working with our partners of St Francis Church, and Koch industries at the Lord's Diner last week.
